

We take leave of

* 21.07.1951

† 13.12.2016

The POLI-TAPE Group of Companies mourns
their founder and Managing Proprietor

Walter Möhren

We take leave of an incredible person.

His beliefs and presence didn't only apply to the success of the company but to all employees as well. Until the end, he was the inventor, creator and the impulse of the company. He always had an open ear and time for personal words for everyone.

We extend our most sincere condolences to his family.
